

## Base module for OVP modules

### Part-No.: 764737

Base part as very space-saving, 4-pin, universal feed-through terminal to accommodate the surge protector module without signal interruption.

The secure grounding of the surge protector module is established via the mounting rail support base by means of a snap-on attachment.

As no components of the protection circuit are located in the base part, maintenance work is restricted to the protection modules.

Ambient temperature	-40 °C ... 85 °C
Air humidity	< 95 %

Tool-free attachment on 35 mm mounting rails.
