

## Neutral front

### Part-No.: FX808325

Blank front for covering the housing opening as alternative for an operating unit.

|            |                              |
|------------|------------------------------|
| Color      | gray, similar to Pantone 538 |
| Weight     | approx. 0,3 kg               |
| Dimensions | W: 450 mm H: 320 mm D: 30 mm |

Please note: In the future, the base expansion of the main unit and the operating unit will be delivered in separate units. This simplifies installation and enables faster product delivery. The installation of the control unit is carried out according to the function description. To save valuable resources, in the future installation and operating instructions will be included in different languages on a USB storage device and only a paper Quick Start Guide and the logbook will still be included.

Built into front frame including housing lock, hinge unit and mounting material.
